WHAT IS THE NODA GRAND PRIX?

Now in its third year, the NoDa GP will anchor the first annual NoDa Health & Wellness weekend. Benefitting Bike Luck and Global H2O. Sunday May 4th brings a full day of free, world class, family friendly entertainment to historic North Charlotte. We invite you to experience the thrill of cycling ringside, participate in the festivities, and explore one of Charlotte's most eclectic neighborhoods.

WHEN IS THE RACE?

Sunday May 4th, the race begins at 830a, the last race ends at approx 7p.

WHY NODA?

The Southeast, like much of the country, has developed a fascination for cycling - both participants and spectators alike. We hope to capitalize on the publicity and excitement by introducing criterium racing and great fan access to a neighborhood that boasts Charlotte's best collection of shops, galleries and performance venues, along with some of the city's funkier full service restaurants.

HOW LONG IS THE COURSE CLOSED?

For safety purposes, the CMPD will be closing the race course (see below) at 8a Sunday May 4th. They will re-open at 7p.

HOW WILL I BE IMPACTED?

For safety purposes, the CMPD will be closing the race course (see below) at 8a. They will re-open at 7p. If you live on the course (see below), the roads will be closed to vehicular and pedestrian traffic.

WHERE WILL I PARK?

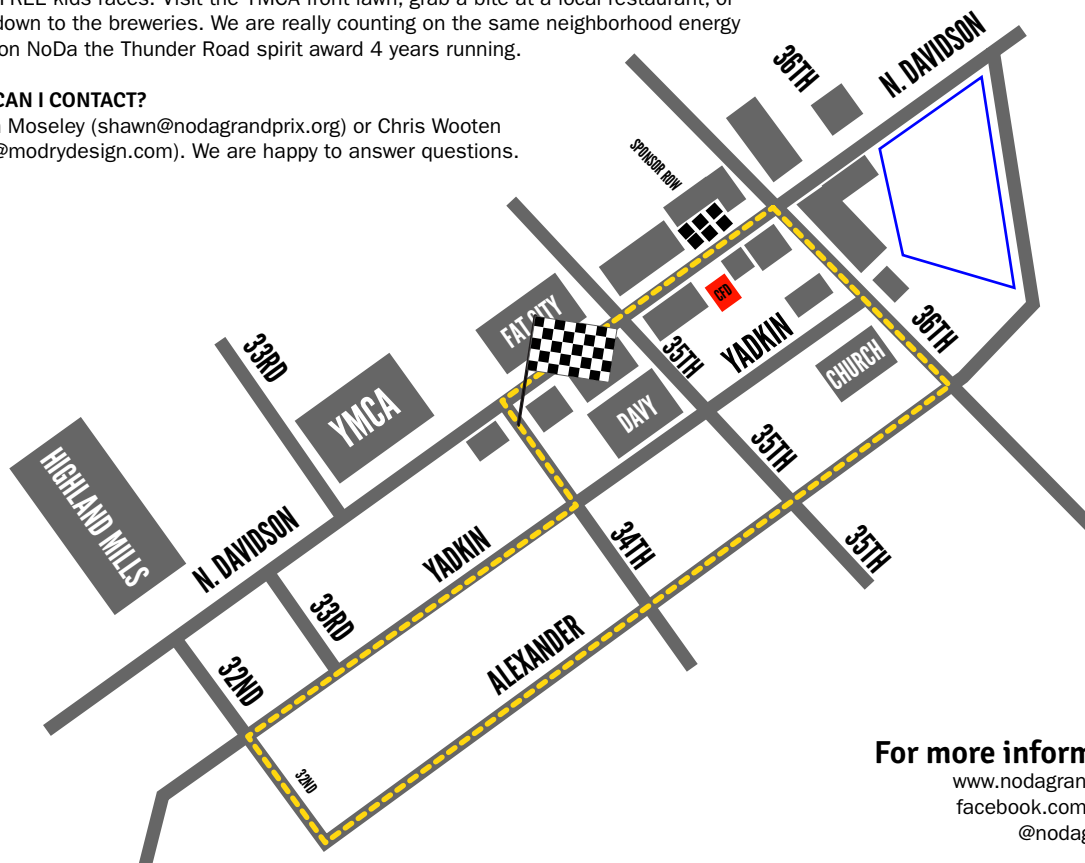

We encourage any neighbors affected by the event or road closures to park outside of the course on an open street prior to course closure. The CMPD will tow any vehicles that are on the race course.

HOW CAN I GET INVOLVED?

Come on out! Enjoy your favorite bar or restaurant. Scream and cheer for your friends, enter your children in the FREE kids races. Visit the YMCA front lawn, grab a bite at a local restaurant, or head down to the breweries. We are really counting on the same neighborhood energy that won NoDa the Thunder Road spirit award 4 years running.
